INDUSTRY MANDATORY TRAINING FOR “NEW” APPLICANTS ONLY

All new applicants for the grant of a Rider's Agent licence must complete skills training as nominated by the Board of Racing Victoria. Note; any “existing” applicant will not be required to complete this training.

An outline of the nationally accredited training units required for the Rider's Agent category of registration, is as follows:

RIDERS AGENTS:

1. Comply with racing industry ethics and integrity; and
 2. Communicate in the Workplace.
-

Following is some frequently asked questions relating to the completion of this training. If you have any queries, do not hesitate to contact your nearest training provider:

1. What if I already have the skills and experience, or I have already completed some training in the past?

You will still be required to complete the mandatory training. However, the process does allow for a “fast track” option, called Recognition of Prior Learning (RPL). Simply notify the provider that you believe you have the necessary skills and experience or have previously completed training. The provider will then take your previous training or experience into consideration. Completing this training provides you with formal recognition for your level of experience gained over the years. It can also provide you with a pathway to further studies within the equine industry should you wish to experience other aspects of the industry.

2. What is the cost of completing the training?

The cost of training can vary depending on whether you are eligible for Government funding, however it depends on what level of education/qualification you already have – please ensure you discuss this with your provider. Generally, the cost of training will range from \$50 to \$150.

3. Who do I contact to complete the training?

Please contact one of the providers listed below.
