At Geelong Synthetic on Friday 31 August 2012, jockey Dean Holland was found guilty of a charge of careless riding on his mount *Proserpina* in Race 2 the *Health Medical Centre SV 3YO Fillies Maiden Plate* (1200m).

The careless riding being that passing the 100m he permitted his mount to shift out several horses, while riding it along with the whip, when not sufficiently clear of *Biatreasure* resulting in *Biatreasure* having to be checked off the heels of *Proserpina*.

Dean Holland had his licence to ride in races suspended for a period to commence at midnight on Tuesday, 3 September 2012 and to expire at midnight on Tuesday, 11 September 2012 - a total of 8 race meetings (2 city, 6 country).

In assessing penalty Stewards took into account Dean Holland's good recent record and the incident was in the low range.

A Notice of Appeal against **the decision and severity of the penalty** was lodged on Monday, 3 September 2012. A stay of proceedings was not requested.

CHAIRMAN: In the appeal of Dean Holland, the Board has little difficulty in upholding the Stewards' submissions that he was careless. Rawiller was entitled to have a straight line in the run to the post. Dean Holland knew his mount was shifting, continued to ride with the whip and did nothing about trying to keep his mount straight. In the circumstances, we dismiss the appeal by Dean Holland.
