6**Terms and Conditions****GENERAL INFORMATION:**

Racing Victoria registers leases for racing purposes. Racing Victoria is not a party to the leases it registers. Racing Victoria's "Register a Lease" form does not itself create any proprietary rights. A lease is a private agreement between owner and lessee which creates proprietary interests between the parties to the lease.

If any dispute arises concerning a lease it is a matter for the parties to settle themselves either in the courts or through mediation. Racing Victoria does not have the jurisdiction to determine the private rights of parties in a lease dispute. Racing Victoria's only role is to manage its ownership registration system, ensure compliance with the Rules of Racing and determine the eligibility of horses to race. Independent legal advice should be sought in the case of a dispute. Independent legal advice should also be sought relating to the courts jurisdiction with respect to forfeiture before entering a lease. Insurance of the horse is the responsibility of the owner.

PERSONAL INFORMATION:

To assist in making ownership determinations, the Deputy Registrar of Racehorses (Registrar) must assess the fitness and propriety of each applicant. This assessment requires the collection of sensitive information. In order to protect each individual's privacy, certain necessary information has not been requested on the application form; however, all applicants must read the following questions:

1. In the past 10 years, have you been convicted of, or is there a pending charge against you, for any offence involving; (a) Violence against a person? or (b) Dishonest or criminal activity?
2. Have you ever been convicted under the Australian Rules of Racing or rules of any racing authority?

If any applicant should answer "yes" to any of these questions, the applicant must notify the Registrar in writing prior to the lodgement of this application. Such notification must include full details of the conduct in question. The Registrar will advise in writing within seven (7) days of having received such notification. That advice should be retained by the applicant as evidence that the appropriate notification has been made. You are advised that should it be established that an individual has neglected or failed to truthfully respond to questions 1(a), 1(b) or 2, this application and any other application concerning the individual may be refused or cancelled at any time. If the notification has previously been advised to the Registrar, there is no need to do so again.

The Committee of any Club or the Stewards may punish any person who makes any false or misleading statement or declaration in respect of any matter in connection with the administration or control of racing under AR175(gg). Inaccuracies or omissions may also lead to penalties and refusal or cancellation of the registration of this horse (AR17).

PRIVACY:

The Registrar of Racehorses (Registrar) collects information about you when you submit this application to register a racehorse. The Registrar will use that information to assess your application and if approved, your ongoing status as an owner. To do that, the Registrar may disclose your information to other racing bodies. On occasion, the Registrar may disclose names and contact details to racing organizations including race clubs and owners or breeders associations.

However, this information will only be disclosed when the Registrar is of the opinion that such communication may be of interest or benefit to you. You can gain access to, and request changes to, your personal information held by the Registrar at any time. You do not have to supply the information requested, but if the information is not provided, the Registrar may refuse to accept your application.

OWNER GST / EFT DECLARATION:

If your horse interests are registered under GST Legislation, you are required to provide the applicable ABN so that prize money payments can be grossed up with the GST portion. Each person or entity that is GST registered should nominate the applicable ABN.

In the case of Syndicate members who are GST registered, GST details cannot be specified – the Syndicate must be registered for GST. If the first named owner/entity (manager) provides bank account details, prize money payments can be made direct to the nominated bank account.
