

Club Jump-out Guidelines

1. *Entries to close no later than 2.00 pm two (2) days prior to relevant jump-outs.*
2. *Final fields to be published by the relevant Club no later than 12:00 midday one (1) day prior to the relevant jump-outs.*
3. *Trainers seeking an 'approval to race' for a horse, or a reinstatement to race from the Stewards, must (i) notify the Club and/or the Stewards prior to the relevant jump-out, and (ii) have the Thoroughbred Identity Card present with the horse on the day of the jump-outs unless otherwise approved by the Stewards.*
4. *Trainers must declare with the Club the name of the rider and racing colours to be worn for each of their horses prior to the relevant jump out.*
5. *A horse that is already entered to participate in a jump-out may be placed in another jump-out upon request by a trainer/authorised representative following the close of entries. Requests to do so can be made directly to the nominated club representative, up to and no later than, one (1) hour prior to the starting time of the first jump-out. The Club, at their absolute discretion, may then allow the horse to be placed in another jump-out. For all other requests, the express approval of the Stewards is required for any amendments.*
6. *Any withdrawals must be notified to the Club as soon as reasonably practicable upon a decision not to run being made by the trainer /authorised representative.*
