AMENDMENTS TO RULES OF RACING
Amendment No 175 – Issued 20 September 2018

Racing Australia has approved the following amendments to the Australian Rules of Racing, effective from 12 October 2018.

AMENDMENT TO THE AUSTRALIAN RULES OF RACING: AR 47(3)(b)

WEIGHING-IN LIGHT

SUMMARY OF AMENDMENT

AR 47(3)(b) currently refers to a rider being allowed to weigh-in light by a half kilogram “for the weight of his bridle”.

On 1 August 2018 an amendment to AR 143(a) was made to reflect that jockeys are simply allowed to weigh in light by a half kilogram, such that the reference to the bridle is not required.

This amendment is being made for the same reason.

Amendments effective from 12 October 2018

AR 47(3)(b) BE AMENDED AS follows:

AR 47
(1) No horse shall be entered for or run in any race except for one for which it is eligible under these Rules.
(2) A horse shall be eligible for any race only if it possesses the qualifications (if any) imposed by the conditions of the race.
(3) Any horse that runs in a race:
   (a) for which it is ineligible, may be disqualified;
   (b) in which it carries less weight than the weight it should carry, shall be disqualified for the race, provided that a rider shall be allowed by the Clerk of the Scales a half kilogram for the weight of his bridle.
(4) Any person who enters or runs a horse in a race for which it was ineligible may be penalised.
