DEFINITIONS AND INTERPRETATION

2.1 Definitions

In these Bookmakers’ Internet Betting Rules 2001:

(a) words and phrases have the same meaning as in the Club Bookmakers’ Licence Rules 2010; and

“Publicly Displayed” means to publish, display or otherwise communicate odds to the public generally including, but not limited to, on a website or other internet enabled device that does not require a person to identify himself or herself (for example, by requiring a person to log in or to provide personal information).

“Victorian Official Price” means the official price recognised by Racing Victoria Stewards or as otherwise prescribed by Racing Victoria from time to time.
2.2 **Interpretation**

Unless the context requires to the contrary:

(a) words and expressions used in these Rules have the meaning ascribed to them in the Club Bookmakers’ Licence Rules and the Racing Act; and

(b) these Rules shall be interpreted in accordance with the provisions of the *Acts Interpretation of Legislation Act 1984*.

3. **APPROVAL FOR USE OF INTERNET BETTING SYSTEM**

3.1 **Bookmaker must obtain approval**

5.2 **Proposed modifications**

Except as otherwise agreed by Racing Victoria in its discretion, any proposed modifications to an Internet Betting System previously approved by Racing Victoria must be approved in writing by Racing Victoria before being implemented.

The Bookmaker must advise Racing Victoria immediately of any possible problem or fault with an Internet Betting System.

6. **RECORDING OF INTERNET BETTING ACTIVITY**

6.1 **Racing Victoria to have live access**

Except as otherwise agreed by Racing Victoria in its discretion, a Bookmaker operating or using an Internet Betting System must provide, or procure that a third party provider provide, Racing Victoria with live access to the Internet Betting System for the purposes of Racing Victoria monitoring betting transactions to ensure compliance by the Bookmaker with the Internet Betting Rules and the Racing Victoria Rules.

7. **CONDUCT OF BETTING OVER THE INTERNET BETTING SYSTEM**

7.1 **Place and times where betting may be conducted**

Bookmakers, in the course of the bookmaking business, may only accept bets, or engage in betting activity (other than betting back), using an Internet Betting System at places and times in accordance with the Racing Act and the Bookmaker’s Licence.
7.2 **Exclusion from use of Internet Betting System**

The Bookmaker acknowledges and agrees that upon any breach by him or her (or by his or her employees or assistants) of these terms and conditions or of the relevant Club Bookmakers’ Licence Rules, Rules of Racing or Rules of Race Betting, the relevant Controlling Body may exclude or suspend the Bookmaker from using the Internet Betting System.

7.3 **Compliance with Rules and permits**

7.5 Approval by the Stewards

The approval by the Stewards or the Betting Supervisor for a Bookmaker to use a Computer Terminal on-course to accept and process bets utilising an Internet Betting System approved by Racing Victoria is deemed to be an approval under and in accordance with all applicable rules and the Racing Act.

7.6 Privacy Information

Every Bookmaker must have a privacy policy approved by Racing Victoria and made available to customers on their website explaining how personal information collected in the general course of business on an Internet Betting System is stored, protected and made available to Racing Victoria and others referred to in rule 6.5.
7.7 **Website Content**

Racing Victoria may in writing direct a Bookmaker to make changes to the Bookmaker’s website as Racing Victoria thinks fit and the Bookmaker must promptly comply with Racing Victoria’s direction.

7.8 **Internet Bets not to be accepted after an event or race has started**

Except where permitted by law, any Internet bet made or accepted after an event or race has started is void.

7.9 **Acceptance of Bets from outside Victoria**

(a) Racing Victoria may give notice to a Bookmaker and require the Bookmaker not to accept bets from persons domiciled in another State or Territory of Australia or another country ("other jurisdiction") where it is unlawful in the other jurisdiction for persons in the other jurisdiction to place bets via the Internet with a Bookmaker in Victoria.

(b) The Bookmaker must promptly comply with a notice received from Racing Victoria under this Rule.

8. **RECORDING AND REPORTING**

8.1 **Bookmaker to record details**

The Bookmaker must record all betting activity undertaken using an Internet Betting System approved by Racing Victoria together with the full name of the client or other party with whom the bet is made in a manner so as to be easily identified on betting ledgers and records as an Internet bet.

8.2 **Bookmaker to provide information**

(a) The Bookmaker must forward electronically to Racing Victoria, in an approved format, a record of daily (or any other time period required by Racing Victoria from time to time) requests for bets received or processed over the Internet.

(b) The Bookmaker must provide all information relating to betting activity undertaken using an Internet Betting System approved by Racing Victoria as may be required by the Betting Supervisor.

8.3 **Bookmaker to permit inspection**

The Bookmaker must allow a person authorised by the Betting Supervisor to inspect any Computer Terminal being used by the Bookmaker.

9. **BOOKMAKER TO DISPLAY RULES**

Unless otherwise agreed by Racing Victoria in writing, a Bookmaker engaging in betting activity using an Internet Betting System must ensure that these Bookmakers’ Internet Betting Rules, the Club Bookmakers’ Licence Rules, the
Rules of Race Betting and the Bookmakers’ Sports Betting Rules are posted and published on the Internet Betting System or made available to users of the Internet Betting System through a link to the internet site of Racing Victoria.

10. RESOLUTION OF ERRORS

10.1 Acceptance of quoted dividend prima facie betting contract

When a bet is placed by a person with a Bookmaker using an Internet Betting System, the acceptance of the bet by the Bookmaker as recorded by the Internet Betting System is deemed to be the formation of a betting contract which is binding on the parties unless Rules 7.8, 10.2 or 10.3 apply.

10.2 Errors in quoted dividends or advertised contingencies

A Bookmaker is not liable for a misquoted dividend or other incorrect information recorded by the Internet Betting System at the time that the bet was made (“recording error”) where the recording error is caused by computer, systems or other technical malfunction that is not the result of human error or intervention by the Bookmaker.

10.3 Cancellation of bets

A Bookmaker may cancel a bet in the case of a misquoted dividend (whether caused by human error or not) where the Bookmaker notifies the other party of the misquoted dividend as soon as it is known to the Bookmaker and this is done before the start of the race or event. The Betting Supervisor must be notified immediately if a Bookmaker cancels a bet in accordance with this Rule. For the avoidance of doubt, the failure of a Bookmaker to notify a Betting Supervisor immediately shall not affect the cancellation of the relevant bet.

10.4 Other betting rules

Rules 10.2 and 10.3 will be displaced and will have no application in relation to betting transactions conducted by a Bookmaker utilising an Internet Betting System operated by a third party provider where betting transactions facilitated on that system are governed by the betting rules of that system.
