## STEP 7 ATTACH A DETAILED BUSINESS PLAN:

### BUSINESS PLAN

**Only required for: Restricted Trainer applicants.**

Please attach a detailed business plan in support of your application:

TICK

Yes, I have attached a detailed business plan in support of my application.

Business planning can assist you in increasing the chance of securing finance with a bank, or in growing your business to obtain that competitive advantage. The planning process is essential for your business of training racehorses (even if you intend to perform as a hobbyist) as it will assist in determining *what* goals and objectives you're aiming to achieve and *how* to reach these goals and objectives.

*Specifically, a three (3) to five (5) year business plan is required. It should represent a vision, strategy, marketing plan, and a finance budget.*

#### What is a business plan?

A business plan is a formal statement of a set of business goals and objectives, the reasons they are believed attainable, and the plan for reaching those goals and objectives. It may also contain background information about your business/entity attempting to reach those goals and objectives.

Your business plan should feature the following information:

1. *Summary.* This is a brief statement of the overall proposal of the business plan.
2. *Business/Company Summary.* If applicable, include a copy of your ABN Certificate;
3. *Background.* How long has the Business/Company been established? Who has been involved?
4. *Services.* Do you intend to pre-train or prepare horses for racing only? Do you intend to train for non-family members?
5. *Strategy.* How do you intend to notify participants of your existence (Marketing Plan)?
6. *Start-up Objectives.* What are your short-term goals within 6 months?
7. *Long-term Objectives.* What are your long-term goals within 3 to 5 years?
8. *Financial Plan.* Start by including the Profit and Loss Budget within Step 12B of this application form.

#### Who can help me with a business plan?

Visit [www.business.gov.au](http://www.business.gov.au) for assistance in writing a business plan.

You will find free planning tools, checklists and templates available to start the business planning process. The website includes information on assessing if you're ready to start a business and how to write a business and marketing plan.

*"... Writing a good business plan can't guarantee success, but it can go a long way toward reducing the odds of failure..."*

#### What if I only intend to trade as a hobbyist, do I still need to prepare a business plan?

Yes. However, there is **no need** to complete points two (2) and three (3) listed above. However the remained of the points must be addressed.

It can be difficult to determine whether your training activities constitute a hobby or a business. It's vital to understand and know the difference between the two because of the diverse tax, insurance, and legal implications. The simplest way to determine whether you're running a business or a hobby is to ask yourself the following questions:

- Are you commercially training (for non-family members)?
- Do you plan/intend to make a profit?
- Are you regularly and repetitively undertaking training (daily)?
- Is the training planned, organised and carried on in a business-like manner?

If you answer yes to the majority of the above questions, it would be reasonable to assume that you are operating a business. In this instance, running a business has some important taxation implications so please visit this Website for more information: [www.ato.gov.au/Business/Starting-and-running-your-small-business](http://www.ato.gov.au/Business/Starting-and-running-your-small-business)

Also, you must apply for an Australian Business Number (ABN), and you may need to register for the Goods and Services Tax (GST). In addition, you should consider whether you need business insurance.

## RETAIN THIS SECTION FOR YOUR RECORDS

### WHAT HAPPENS NEXT?

#### STEP 8 YOU WILL BE CONTACTED:

Upon the submission of your application, we will contact you within ten (10) business days to outline to you whether your application is considered incomplete or whether your application is ready to progress to the next step, consideration by the Racing Victoria **Intelligence and Compliance Unit (ICU)** prior to the **Licensing Panel**.

In the event of an incomplete application, **you will be contacted via your email listed within Step 2 of this application form.**

#### STEP 9 TELEPHONE INTERVIEW:

Upon receipt of your completed application form (including additional information as requested), a telephone interview may be arranged.

During the telephone interview (if required), you will be asked to exhibit your knowledge relating to, but not limited to, the following areas:

- I. The Rules of Racing (relating to trainers);
- II. Raceday procedures;
- III. Standard Veterinary points;
- IV. The training schedule of the horse;
- V. The Class / Ratings structure of racing;
- VI. The process to nominate, weight (allocation), accept and lodge a rider;

**It is strongly recommended that you familiarise yourself with the Rules of Racing (Rules) as your application cannot progress beyond the interview stage unless you show an above average understanding of these Rules. Importantly, you may be required to complete a written assessment relating to the Rules of Racing.**

A copy of these Rules can be located via the Racing Victoria Website - [www.rv.racing.com](http://www.rv.racing.com) (Under *Racing And Integrity, Rules* at the top of the home page).

#### STEP 10 STABLE INSPECTION:

In addition to your telephone interview, your nominated stables may be inspected by a Steward. Aspects under review during this inspection may include:

- I. Location of property;
- II. Quality of stabling;
- III. Security of premises;
- IV. Feed and tack rooms set up;
- V. Safety of prohibited substances;
- VI. The condition of horses.

**If the property in which your stables are located is not considered to be in a satisfactory condition by the Steward, your application cannot progress beyond this inspection.** A practical assessment may also be undertaken.

## STEP 11 LICENSING PANEL DECISION:

All applications are then summarised and placed before the Racing Victoria **Licensing Panel**, where each application is considered on an individual basis. The Panel meets monthly in the middle of each month (**excluding January**).

Based upon the information supplied, the Licensing Panel may:

- approve the licence application;
- offer a varied licence (vary an application offer);
- defer an application until further information is presented;
- request a further assessment on the Rules of Racing;
- refer an application to the Racing Victoria Board;
- deny a licence.
- request additional information or further clarification from the applicant regarding the application; or
- approve the application (pursuant to a delegation from the Racing Victoria Board).

## STEP 12 RACING VICTORIA BOARD:

The Board of Racing Victoria meets monthly (**excluding January**). Where a decision is referred to the Board by the Licensing Panel, the Board will consider your application, along with any recommendation of the Licensing Panel. The Board may approve (including subject to conditions), vary, defer or deny licence applications.

## STEP 13 NOTIFICATION:

You will be notified of the Board's decision **by email on the Monday immediately following the Board meeting**. In addition to this, an official notification letter will be emailed within five (5) working days of the Board meeting.

If your application is approved, a confirmation letter and invoice will be issued (being the difference between each category of licence). An application is not considered approved until the invoice is paid.

### What if my application is denied?

If your application is denied, you have a Right of Review as follows -

Right of Review - In accordance with section 83Q of the *Racing Act 1958 (Vic)*, you may apply to the Victorian Administrative and Civil Tribunal (VCAT) for review of the Racing Victoria Board decision not to grant a licence. An application for review must be made within 28 days from the date of the Racing Victoria notification letter.

## STEP 14 JUMP OUT OR OFFICIAL TRIAL for RESTRICTED Trainers

If you are granted a *Restricted* Trainer licence (upgrade from Pre-Trainer), once you have paid the pro-rata licence fee, your next step may be to present a runner in a Jump-out or Official Trial to the satisfaction of Racing Victoria Stewards *prior* to nominating horses for racing.

For these purposes, you will be required to fully tack your trial runner under the observance of the officiating Steward at all times. Furthermore, the horses' performance in the Jump-out or Official Trial will be assessed by the Steward.
